ABOUT US:

<https://expercotrade.com/>

- ExpercoTrade is an innovative investment and financial platform developed by a team of experts from their mother company, Mopic Group. Their program trades for you using their expert trading team & their own trading bot software. While ExpercoTrade officially launched for the public in December, 2021, Mopic Group has managed private portfolios for five years.
- They created an evolutionary operating system that is taking automatic trading to the next level and making a real difference in the fintech industry.
- One of the fastest growing online brokers with an assets index of over 60 crypto-currencies spanning across 5 continents.
- After years of working with expert traders, they found the perfect combination of expert trading and automation using Artificial Intelligence (AI).
- Our team of experts have developed an ultra innovative system that ensures more accurate automated trading experience.
- ExpercoTrade's goal is to reach a 50 Million Dollar trading fund within the community.
- Each Bot has a good Stop loss order that intercepts good trade signals and also avert trade losses.
- Each Bot cuts losses immediately the bearish run trickles in, diversifying the funds to winning trades.
- We have over (10,000) Ten thousand automated Bots installed in our trading floors.

WHY CHOOSE US:

- Our primary goal is to deliver stand-out trading results.

- Most user friendly trading platform.
- We ensure extreme **SECURITY** of your trading portfolios & digital assets. Absence of cyberattacks and infringement of account by a third party.
- Our support team is available 24/7 to render technical assistance to our clients.
- Enjoy zero commission; no withdrawal fee is charged on any account portfolio.
- Your trading account is managed solely by you.
- Our software trading Bots guarantee your investments are not affected when there are dumps in the market.
- Enjoy a guaranteed premium financial and investment advisory from our specialists.

BUY YOUR BOT POSITION

👉 Go to **My Bots** on the left side of the menu and click on it.

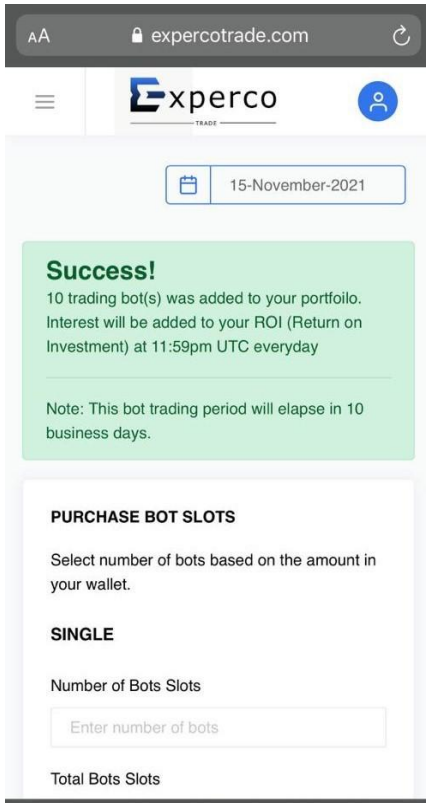

👉 Decide how many Bots positions you want to purchase.

- 1 BOT position = \$1,000
- 4 BOT positions = \$4,000
- 10 BOT positions = \$10,000 (Max 200 Bots per person)

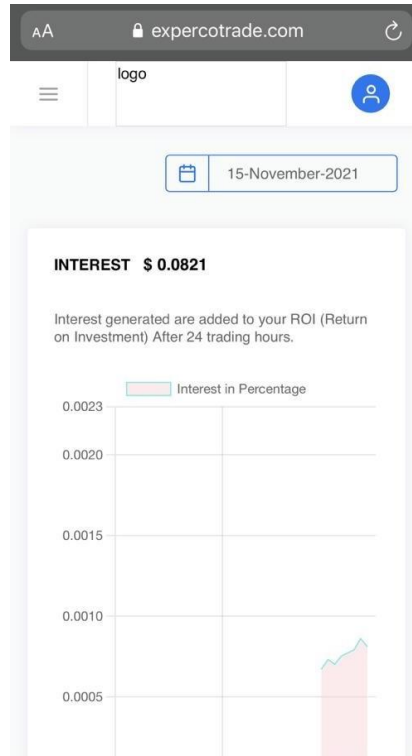

The screenshot shows a web browser at the URL `expercotrade.com`. The page title is "PURCHASE BOT SLOTS". Below the title, it says "Select number of bots based on the amount in your wallet." There are three input fields: "Number of Bots Slots" with the value "10", "Total Bots Slots" with the value "200", and "Amount in USD" with the value "10000". Below these fields, it says "Available Balance: \$10,000.00". A blue "Purchase" button is located at the bottom of the form. Below the form, there is a table header with columns: ACTION, S/N, AMOUNT, and AMOUNT VA.

👉 When you have purchased your Bot position, you will be notified on your dashboard that your trading Bot was added to your portfolio and your accumulated interest will be added to your ROI (Return on Investment) at 11:59pm UTC everyday.

- 👉 When your funds are in your portfolio balance, you can go to the main Dashboard screen; you will see your Account balance, number of Bot positions acquired, and your ROI.
- 👉 Your interest generated will be added to your ROI after 24 trading hours.

NOTE: In the case of market fluctuation, where your balance is below the amount required to purchase a bot position, you are expected to wait for the market price to normalise or Top up your balance in any case.

BOT SLOT AND HEDGE FUND

Use the bot buying feature, "**Purchase Bot Slots**" in the bottom of the main dashboard to purchase a Bot position.

- **"Single"** is for purchasing the usual Bot position.
- **"Hedge fund"** is a special future where you create a minimum of \$200,000 in your private pool and control your own hedge fund with friends.

NOTE: To be eligible to join our hedge fund group, you **must** purchase or have at least 200 Bots positions and above.

Choose the cryptocurrency you wish to trade with; **Bitcoin** or **Ethereum**.

Enter the number of Bot slots you would like to purchase.

- 1 Bot position = \$1,000
- 4 Bot position = \$4,000
- 16 Bot position = \$16, 000

(Minimum 200 Bots per person)

Click on [submit](#) to purchase your Bot position.

Confirmation mail will be sent to your registered email.

👉 Click on **VERIFY** to complete your withdrawal request.

👉 **Once your withdrawal request and authentication is completed;**

You will be credited once the approval is done, with a **WITHDRAWAL SUCCESS!** text.

NOTE:

1. You can only withdraw your net profit every 10 (ten) trading days, prior to last withdrawal for **previously existing investors**.
2. **ExpercoTrade does not charge any WITHDRAWAL FEES on its platform.**
3. We advise to reinvest/buy more Bot positions to increase chances of multiplying profits and widening trading opportunities.
4. During the Withdrawal Process, speed and arrival of profits are largely dependent on **BLOCKCHAIN traffic**.
5. Bear in mind that weekends are the busiest time; clogs in the withdrawal process might occur, but be assured that this issue would be resolved anywhere between a **24-72 hour time frame**.
